

# Latin Roots 2

**Proofread a Paragraph** Circle six misspelled words in the paragraph below. Write the words correctly. Find a sentence with a capitalization error. Write it correctly.

### Dad's New Job

My dad recently interviewed for a job in another state. He met with the supervisor of a computer manufacturing company. They discussed a prespective job opportunity as an inspector. The new job would be more of a challenge than his currint job. After an excurtion to the new state, he decided to revize his plans. he will probably take the job.
