Grandfather Mountain

Wen I look at Grandfather Mountain I see
 bears on the slopes and cautious white-tailed deer,
 eagles and vicious panthers,
 groundhogs and woodchucks,
 a flock of wild turkeys and a red-tailed hawk,
 blue Jays and squirrels.

The preshious fleeting bloom of spring,
 the sensashional crimson hues of autumn,
 in winter the glashier at the summit—
 a lake of ice, rocky and wild.

When I look at Grandfather Mountain I see
 that anciant mountain smiling down on me.
